

Coaching Skills Training Course

About This Course

Coaching Skills Training Course

Do you want to know how to use coaching to improve performance and grow talent?

Our Coaching Skills Training Course will provide a toolkit for leaders to develop their team members and increase performance through effective coaching.

The course will introduce you to a range of skills and approaches that you can use in everyday conversations as well as structured coaching conversations.

This Coaching Skills training course is delivered as a scheduled open online training course or in-house just for your business.

We deliver the course as a face to face course and a live virtual online course.

The Course Aim & Objectives

Here's what you will learn on our coaching skills course

Course Aim

This **Coaching Skills Training Course** will introduce you to the skills, techniques and benefits of coaching.

The workshop investigates how behaviours develop in people and how using the coaching approach, can make long term changes to negative or challenging behaviours. We also look at how coaching can be used to develop long term action plans and improve individual and team performance.

Course Objectives
