

Facilitation Skills Training Course

About This Course

Facilitation Skills Training Course

Do you want to engage people during meetings and get more ideas onto the table?

Our Facilitation Skills Training Course will show you how to make your meetings more productive by gaining engagement and driving actions. We'll show you how to increase responsibility, tackle complex issues and how to deal with different behaviours.

This Facilitation training course is delivered as an in-house just for your business.

We deliver the course as a face to face course and a live virtual online course.

The Course Aim & Objectives

Here's what you will learn on our Facilitation Skills course

Course Aim

This workshop is designed for you to explore the communication skills and techniques required to successfully facilitate events, workshops and meetings in a business context.

Interactive theory and practical session will engage you in a variety of realistic scenarios where you will receive feedback on your approach. From ice breakers and energisers to handling difficult people and situations, this workshop will help you to discover and develop new facilitation skills.

Course Objectives

By attend this Facilitation Skills Training Course you will know how to:

- Develop the skills and confidence to help groups take ownership for generating ideas, solve problems and agree direction and plan actions
- Contract productive, purposeful relationships with groups
- Deal with challenges and difficult group behaviours
- Ensure high levels of participation and creativity in groups
- Identify and improve your strengths as a facilitator.
