

Leadership & People Management Training Course

About This Course

Leadership & People Management Training Course

Do you want to be able to use a range of leadership and management tools to drive motivation and performance in your team or business?

Our two day Leadership and People Management Training Course will provide lots of practical tips for leading and managing individuals and teams.

Our Leadership and People Management training course is delivered as an open course in 9 locations across the UK, online or at your business location.

We deliver the course as a face to face course and a live virtual online course.

The Course Aim & Objectives

Here's what you will learn on our leadership & people management course

Course Aim

Our two day Leadership & People Management Training Course will provide you with lots of tips and practical ideas to lead and manage your team. The course is a great grounding for new leaders and managers and a good refresh for those currently in the role.

Find out how to use a range of leadership techniques in different settings and how to use management tools to get the best possible performance from your team.

We aim to provide you with a range of practical tools and ideas to lead and manage your teams effectively.

The course is useful for those new to leadership or management positions or those currently in role looking for a refresh.

Course Objectives

By attending this Leadership and People Management Training Course you will be able to:

- Know the difference between leadership and management and how to use each function
- Understand the wide range of skills they will need to possess to be an effective leader and manager
- Know a range of leadership approaches and the situations each should be used in
- Know how to use management tools to get the best possible performance from the team
- Be able to use management information to monitor and improve the team
- Have built a clear development plan to further develop the skills learnt in the workshop
