

Online Business Writing Skills

Course Aims

This course will provide attendees with a toolkit for effective business communications they can quickly apply with confidence.

The session includes a range of activities that will allow the delegates to practice skills, alongside trainer led sessions to introduce the relevant knowledge.

We look at how to plan written communication and what you are trying to achieve from it; how to compose and structure written documents i.e. letters, emails and reports, and how to ensure that grammar and punctuation is correct.

By the end of this workshop attendees will:

- Be able to set an objective for written communication and write towards achieving it
- Be able to effectively plan for written communication
- Be able to keep writing short and simple
- Know how to apply structure to letters, emails, reports and other business documents
- Have a refreshed understanding of grammar and punctuation
- Be able to demonstrate the skills through practical exercises

Course Content

- Understanding different communication styles and how to reflect this in writing
- Writing in plain English
- Making writing positive
- Structuring written communication.

Course Benefits

Being able to write effective letters, reports and other business documents will get your message across quickly and will give a professional appearance.
